### **Coin Story:**

Music is fairly said to be the speech of angels. A winged divine creature depicted on our silver coin will attract positive vibrations into your life! Properly strung and played upon, the harp yields soft music and gladdens the heart. Our charming silver talisman is elaborately decorated with colorful digital printing and floral ornaments.

### **About the coin design:**

About the coin design: A 24-karat gold-plated insert enriching its surface symbolizes spiritual and material wealth. The souvenir is offered in a lovely white presentation case with a feathery lid, resembling the wings of an angel.
