Coin Story

Angels are a symbol of virtue and innocence. As well, the moon symbolizes fertility, good harvest, and abundance. Since ancient times its energy has been associated with femininity and the birth of a new life. This beautiful winged divine creature, leaning against a golden crescent of the moon, will attract peace, harmony, and fulfillment into your life!

Your intricately decorated silver coin glistens with an array of twinkling stars. Adorned with soft-hued digital printing, your coin is also embellished with a 24-karat gold-plated insert that symbolizes spiritual and material wealth.
