

Certificate of Authenticity

2020 \$1 Fine Silver Coin - Egyptian Falcon

Product Specifications:

- Coin Metal: 99.9% pure silver
- Coin Weight: 17.5g
- Coin Diameter: 38.61 mm
- Coin Finish: Matte Proof
- Coin Denomination: \$1
- Year of Issue: 2020
- Coin Mintage: 999
- Country of Issue: Niue

Coin Story

Falcon cults were widespread in ancient Egypt. One of the most significant deities in this area, Horus, was a falcon-headed god of the sky. His right eye represents the sun or morning star as symbols of power and quintessence, and his left eye embodied the moon or evening star as a healing representation. The fierce falcon has special symbolism and meaning in Egypt, and today, as the "king" of birds, a falcon represents victory and rulership.
