The Coin

The Grizzly is the first coin in the NEW Spirit Animals series. The bear totem symbolizes inner strength gained through introspection and eventually - illumination! Artist Phil Lewis has had a life-long fascination with bears. Strong and steadfast, massive yet agile they have the ability to go from slumbering giants to fast action beasts in the flash of an eye. This 1oz fine silver legal tender coin is engraved and applied with vibrant color to capture the amazing detail in this unique work of art.
