### **The Coin**

Your coin features the 24-karat gilded image of a Tiger in the middle of a ring made of real jade. Along the rim of your coin is a refined and intricately patterned ornament depicting several tigers in different settings. The State Emblem of Laos is depicted on the obverse of your silver coin. Along the rim of the coin, there is the legend denoting the name of the issuing country. The obverse composition is accomplished by the face value indicated at the bottom of the coin.
