Celebrate the 40th anniversary of the very popular Cherry Coca-Cola!

Cherry Coke was first introduced at the World's Fair in 1982 for customer testing and was officially released as the brand's first flavored extension in 1985 in bottles and cans. The flavor quickly became a hit with consumers and continues to thrive, with Cherry Coca-Cola products showing steady growth. Now sold in 36 countries, and available in varieties like Diet Cherry Coke and Cherry Coke Zero, the brand remains a favorite among teens, families and nostalgic fans alike, proving that its "timeless taste" still resonates.
