Coin Story

This 1 oz Silver Coin is our first Disney Collectible Coin to feature artwork from The Walt Disney Company's Corporate Season's Greetings cards of years past. The original cards were created exclusively for key figures in the motion picture industry by the talented artists and designers of The Walt Disney Company. This rarely-publicly seen illustration will be sure to delight the young and young at heart!

This officially licensed Season's Greetings 1 oz Silver coin features some of our favourite Disney characters in one joy-filled moment! This coin would make a lovely memento for family and friends.
