### **Coin Story**

According to an old Chinese legend, gold coins growing on the holy tree would fall to the ground like leaves. In Feng Shui, the Tree of Luck is a well-known symbol of affluence, nobility, and prosperity. It is considered to bring you new opportunities, attract good fortune to your home, and protect you from money loss.

Traditionally, Chinese lucky trees are adorned with coin-shaped motifs and oval gemstones. Your beautiful souvenir coin Tree of Luck is a great gift idea. It is loaded with positive energy trapped in malachite millions of years ago.

Malachite is considered by some to be a magical stone with a deep emerald-green hue. A malachite talisman purifies your body and mind, it opens all chakras and promotes life balance and harmony. It also strengthens courage and enhances the spiritual growth. Green color of this unique mineral soothes both mind and heart.
